MONDAY EVENING DECEMBER 5.

A letter from Lancaster county, Va., says: "A certain widower courted one of the Essex county's fair damsels, proposed and was accepted. He went up after her last week, had his children dressed up and at the steamboat wharf to meet them and when the steamer arrived the would-be groom was there, but no bride. It transpired that when he arrived at the home of his intended, she had but three short hours be-fore been united to an older 'flame' and so ne was left disconsolate."

INHUMAN PUNISHMENT OF A CHILD.-Willie Van Hontrie, a colored boy, six years old, hobbled into the Municipal Court of Boston Friday and into the Municipal Court of Bosten Friday and told Judge Curtis how John Williams had punished him for going skating. The child's mother is a domestic in a family at the Back Bay and pays the boy's board and lodging at Williams's. The child went out skating and when he returned Williams took off his shoes and stockings and stood him on a hot stove until both feet were blistered Williams confessed the deed and said he must do something to keep the child at home.

The company is incorporated under the laws of West Virginia, and the stock is non-assessable, and carries with it no personal liability to

THE GOLD MINING COMPANY (location Music Mountains, A. T.) is as sound a mining enterprise as was ever placed on the market, and its possibilities have never been exceeded. Every share should double in value within a year, and they may quadruple, as they are based on property that would ordinarily have been capitalized ten (10) times as great on account of its known richness and promise.

The shares are made small so that any one can invest. Subscriptions for five shares are as welcome as those for hundreds.

Every dollar of earnings will go to the stockholders in dividends, as there is nothing else that they can be used for.

A Wisewell mill, capacity 20 tons per day, with powerful machinery, has been purchased and will be on the ground ready for erection at the mine within the next thirty days.

The solid basis upon which the company is founded and the practical proofs of the richness of the mine have already secured the confidence of the public, and the stock has steadily advanced in selling value Within the last few days bona fide sales have been made AT PAR.

There is no better stock on the market for a permanent investment.

For full information in regard to this Mine apply to the SECRETARY, Room 40 Le Droit Building,
